Dear Sam,

I hope this letter finds you well. As part of our commitment to your comprehensive care, our practice is pleased to have partnered with the MyCare Program. This collaboration ensures you have access to personalized health support through a dedicated MyCare Coordinator who will be checking in with you monthly. This program, while optional, is highly recommended for qualified patients, as it enables our clinical team to better manage your health in between office visits.

Key Benefits of the MyCare Program:

- **Health and Lifestyle Support:** Personalized guidance to improve your overall health and well-being.
- **Assistance with Medication Management:** Assistance with understanding your medications, ensuring adherence, and managing refills.
- **Assistance with Care Coordination:** Appointment scheduling and reminders, helping to keep you on track with your health needs.

We encourage you to consider enrolling in the MyCare Program to enhance your care overall. A MyCare Coordinator will be in touch soon to discuss how you can benefit from this service. If you are interested in learning more now, **please call us at 615-111-1111**.

Kind regards,
